If TWI has not received request to insure your cargo at least 2 days prior to consolidation point deadline, specified in the shipping instructions, coverage will auto-decline. In the event of loss or damage, the maximum liability of TWI is \$50.00.

TERMS & CONDITIONS: (REVISED 03/23/10)

I understand that all claims are subject to a deductible of two percent (2%) per incident with a minimum deductible of US\$250.00 and no maximum. The deductible is based on the full value of the policy, not on the value of the claim.

I also understand that the insurance policy will be written for 110% of the CIF value (**C**ommercial value listed on your invoice + **I**nsurance Premium + **F**reight cost for shipping goods + 10%).

The rate for insurance coverage is based on 110% of the **CIF** value and currently charged at US .9225¢ per \$100.00 of **CIF** value for worldwide transits, and US.5800¢ per \$100.00 of **CIF** value for transits from origins in the U.S.A. and/or Canada to exhibition sites within the U.S.A. and/or Canada. Shipments to certain countries may be subject to war/SRCC surcharges.

The minimum premium charge is US \$60.00.

TWI reserves the right to change the rates mentioned above without notice. Rate may change if goods do not travel as indicated below. Contact TWI Insurance Department for further information.

Red Stripe and A.P.L.C. shipments will be insured on a one-way export basis only.

Please note, shipping containers are not covered under this policy unless the containers are listed on the commercial invoice you submit with this application.

Special rates may be used for goods that vary from the transit mentioned above. Cargo Insurance for transit to exhibition, whilst there for a period not exceeding 30 days, and return transit to origin.
